STUDY ABROAD SCHOLARSHIP INFORMATION

TMC is able to offer Study Abroad Scholarships to TMC students traveling abroad through programs facilitated by the UCSD Programs Abroad Office during summer or fall terms in 2017. Scholarships in an amount up to \$1000 will be awarded. Any actively enrolled TMC student in good academic standing, with an active or approved study abroad application on file with the Study Abroad Office may apply. A TMC committee will review all applications and notify selected recipients via the Virtual Advising Center (VAC). **Only completed applications will be considered.**

Factors considered in awarding Scholarships include:

- How your study abroad plans relate to your overall academic goals and interests.
- How studying abroad will provide opportunities otherwise unavailable to you.
- The extent to which financial need factors into your ability to study abroad.
- How you plan to share your study abroad experience with the TMC community upon your return.

TMC Study Abroad scholarship funds may be applied to EAP and OAP programs, as well as summer Global Seminars. If you are receiving financial aid, a TMC study abroad scholarship would become part of your aid package and might reduce your need for loans.
