# OPEN QUESTION & ANSWER WEBINAR

A THURGOOD MARSHALL COLLEGE ACADEMIC ADVISING WEBINAR

Hello, and welcome to the Thurgood Marshall College Academic Advising Open Question & Answer Webinar for Transfer Students.

Today we will briefly summarize our previous webinars and outline some important upcoming dates ahead of your fall quarter enrollment before opening the session up for your questions.

The duration of our webinar today will be 60 minutes; you may submit your questions throughout the presentation and we will answer as many of them as possible after our presentation.

Let's get started!

## FALL 2019 ENROLLMENT RESOURCES

- UCSD General Catalog
- Major Departments & Programs
- Marshall College General Education Requirements
- Marshall College GE Sheet
- New Student Site
- UCSD Schedule of Classes
- Course Recommendations
- Online Advising
- WebReg

- In preparation for your upcoming enrollment, we want to remind you of the resources available to help you with scheduling your first quarter.
  - The UCSD General Catalog provides outlines of the courses and majors offered at UCSD as well as prerequisites, corequisites, and general descriptions of our courses.
  - Major Department & Program websites contain valuable information about your major and its various requirements.
  - The Marshall College General Education Requirements website contains information on Marshall GEs and courses that can complete them.
  - The Marshall College GE Sheet helps you select available GE courses being offered this fall quarter.
  - The New Student Site outlines important information about all the various requirements and policies that UCSD students are responsible to know while attending UCSD.
  - The UCSD Schedule of Classes lists the date and time of fall quarter courses to help you create your upcoming fall schedule.
  - Your Course Recommendations, which are available starting August 16, have been created using the academic information you provided to Admissions as well as the academic information you entered on the New Student Site to

help provide you with appropriate course recommendations.

- Online Advising via the New Student Site allows you to contact Marshall Academic Advising directly with questions pertaining to your personal record.
- WebReg is UCSD's online course registration system that allows you to view all course offerings, plan different schedule scenarios, and complete enrollment registration during your enrollment period.
