# An Intro to our Philosophy:

Living at **Marshall College** as a “Scholar and Citizen”, you can begin to appreciate the value of being a unique part of a **diverse community**, meeting folks from all walks of life while building **quality relationships**.

In order to support and help you create a community at Marshall College, we challenge you to get to **know yourself**, be able to **check yourself**, ultimately so you have the confidence to **be yourself**.

When you live on campus, you **live, learn, & socialize** with other students going through similar transitions and changes as you.

It's the best way to **get involved** in campus life, **build lifelong friendships**, and **feel connected**.

# Get Involved
